Student Employment Eligibility Requirements:

- Students must meet the required Standards for Academic Progress (Work-study students only)
- Work study students must be enrolled at least half-time (at least 6 credit hours) for the Fall

Hiring Guidelines - Current student employees

Please verify that your student meets employment eligibility (enrollment, degree status, and work study award, if applicable) prior to submitting any paperwork for a student.

1) Please run an HR Report using the instructions below (HR Report Parameters for Current Student Employees). If you do not have access to HR Reports, please check with your Department Administrator or the person who handles HR duties for your department. This report will be used to determine if you need to extend or transfer your current student.

2) Use the “Extension/Transfer Guidelines for Current Student Employees” to determine what paperwork, if any, is required for each of your students.

   - Current student employees must be enrolled at least half time (at least 6 credit hours) for the Fall semester no later than July 21st @ 5 pm.
   - If a student employee (UB) has an open end date, you do not need to take any action unless you want to transfer them to work-study.
   - All summer work-study assignments should end on August 20th but check report to verify the correct end date on record
   - EPAF extensions and transfer EPANs are used when there is no break of employment. If there is a break of employment, you will need to follow the “Returning Students” process
   - EPAFs and EPANs must be submitted with future start dates. Backdating will not be accepted

3) Please be sure that all paperwork is complete and follows the requirements outlined in UNM Policy #2000.

4) If you need to complete an extension EPAF, please be sure to select the position number associated with your org#.

5) Submit completed EPANs to our office via email (stuemp@unm.edu).
The priority date to submit extension EPAFs and Transfer EPANs for current student employees is **July 21st @ 5 pm**. Priority will be given to forms/requests submitted by this date. Anything submitted after will be processed on a case by case status in the order received. Therefore, we will not guarantee your current student employee may continue working past their current job end date. Please check your HR Reports before allowing students to continue working.

5) Please be sure that all paperwork is complete and follows the requirements outlined in UNM Policy #2000.
**Hiring Guidelines – UNMJobs Hiring Process**

Please verify that your student meets employment eligibility (enrollment, degree status, and work study award, if applicable) prior to submitting any paperwork for a student.

Use the UNMJobs Hiring process for New Hires, Promotions, Add Jobs (2nd and 3rd jobs), and Returning Students with a break of employment of 180+ days.

**Requisitions (Reqs)**

We encourage you to submit requisitions as early as possible to allow for more posting time. Please be sure to follow the SOPs in the Student Recruiting Resources in the UNMJobs Recruiting Resources and ensure you submit a complete requisition to reduce errors. Requisitions that do not follow the proper hiring approvals are subject to denial. Requisition owners and hiring managers cannot be the same person, unless otherwise approved by Student Employment.

The priority date to submit requisitions is **Monday, July 12th @ 5 pm**. Requisitions submitted after this date will be processed in the order received. However, we cannot guarantee that you will have enough time to hire student employee(s) with an August 23, 2021 start date.

**Hiring Requests**

The Student Employment Office sends notifications as follows. Please note, the notifications below are sent to student’s email address as noted on their UNMJobs profile. Hiring managers are also copied on these email notifications.

- Initial “Offer Letter” notifications will be sent to student employees who must submit documentation/forms such I-9, add job or FTE memos, background checks, etc

- Initial “Offer Letter” notifications will not be sent to student employees who are getting promotions or returning students with a valid I-9 form on file and are not required to submit documentation

- “Authorization to Start Working” emails will be sent to ALL students when their employment eligibility is verified. These emails will state the student’s approved start date.

Please note the following:

1. Please enter 8/23/2021 in “Start Date” field for students being hired for the fall semester

2. Please leave “Start Date” field blank for students who should be hired prior to the fall semester.
3. Students should expect to spend at least 20 minutes completing documents while at the Student Employment Office.

4. Documents for the I-9 form must be original and unexpired. A list of acceptable documents is available below.

5. After your student completes all hiring documents at our office, the Hiring Coordinator, Hiring Manager and student will receive a final “Authorization to Start Working” email with an attached letter indicating their approved start date. **Please do not allow students to begin working until this notification is received. Allowing students to work prior to their start date will cause problems with student’s pay and may be in violation of federal regulations.**

6. Once they have their Student Employee Life tab in LoboWeb, students must follow the instructions in the “Authorization to Start Working” letter to complete their W-4 form, direct deposit information, etc.

2) The priority date to submit hiring requests for UNMJobs student employees is **July 21st @ 5 pm.**

3) In order to begin working on August 23rd, students must complete their required paperwork by **Friday, July 30th @ 5pm.**

4) Priority will be given to requests submitted by these dates. Anything submitted after will be processed in the order received. Therefore, we will not guarantee your new student employee may begin working on August 23, 2021.

5) Please be sure that all paperwork is complete and follows requirements outlined in **UNM Policy #2000.** The turnaround time increases if we receive requisitions or Hiring Requests with errors or missing information.
