How to Run an HR Report by Date Range
**Student Employment Eligibility Requirements:**

- Students must be admitted in a degree granting college
- Students must meet the required Standards for Academic Progress (Work-study students only)
- Work study students must be enrolled at least half-time (at least 3 credit hours) for the summer semester
- Students must present documentation for their I-9. I-9 documentation must be submitted by all students who are NEW UNM employees or have had at least a one (1) year break in UNM employment

**Hiring Guidelines - Current student employees**

Please verify that your student meets employment eligibility (enrollment, degree status, and work study award, if applicable) prior to submitting any paperwork for a student.

1) Please run an HR Report using the instructions below (HR Report Parameters for Current Student Employees). If you do not have access to HR Reports, please check with your Department Administrator or the person who handles HR duties for your department. This report will be used to determine if you need to extend or transfer your current student.

2) Use the “Extension/Transfer Guidelines for Current Student Employees” to determine what paperwork, if any, is required for each of your students.

   - Current student employees must be enrolled at least half time (at least 3 credit hours) for the Summer semester **no later than May 5, 2024 @ 5pm**
   - If a student employee (UB) has an open end date, you do not need to take any action unless you want to transfer them to work-study.
   - All fall/spring work-study assignments end on **May 10th**
   - EPAF extensions and transfer EPANs are used when there is no break of employment. If there is a break of employment, you will need to follow the “Returning Students” process
   - EPAFs and EPANs must be submitted with future start dates. **Backdating will not be accepted**

3) Please be sure that all paperwork is complete and follows the requirements outlined in UNM Policy #2000.

4) If you need to complete an extension EPAF, please be sure to select the position number associated with your org#.

5) Submit completed EPANs to our office via email or secured online site (stuemp@unm.edu) [https://stuemp.unm.edu/](https://stuemp.unm.edu/)
6) The priority date to submit extension EPAFs and Transfer EPANs for current student employees is **May 5th @ 5pm**. Priority will be given to forms/requests submitted by this date. Anything submitted after will be processed on a case by case status in the order received. Therefore, we will not guarantee your current student employee may continue working past their current job end date. **Please check your HR Reports before allowing students to continue working.**

**Summer 2023 Extension/Transfer Guidelines (Spring to Summer)**

For spring work study, please check with your student. Information is available to them in LoboWeb. Students and departments can track spring work study earnings using the tracking form available at [https://stuemp.unm.edu/student-resources/forms-and-information.html](https://stuemp.unm.edu/student-resources/forms-and-information.html)

**Hiring Guidelines – Returning Students**

Please verify that your student meets **employment eligibility** (enrollment, degree status, and work study award, if applicable) prior to submitting any paperwork for a student.

1) To qualify as a “returning student”, there must be a break of employment of 180 days or less

2) Submit a Rehire EPAN for student employees who meet all of the following:
   a. Must be enrolled at least half time (3 credit hours) for the Summer semester **no later than May 5, 2024 @ 5pm**.
   b. Has break of employment of 180 days or less (a break of employment of more than 180 days will require you to hire the student through the **UNMJobs hiring process**).
c. Returning to the **same** position when their job ended

3) Submit the completed EPAN to our office via email (stuemp@unm.edu).

4) The priority date to submit Rehire EPANs for returning student employees is **May 5th @ 5pm**. Priority will be given to forms/requests submitted by this date. Anything submitted after will be processed on a case by case status in the order received. Therefore, we will not guarantee your returning student employee may begin working for the summer. *Please check your HR Reports before allowing students to begin working.*

5) Please be sure that all paperwork is complete and follows the requirements outlined in **UNM Policy #2000.**

**Hiring Guidelines – UNMJobs Hiring Process**

Please verify that your student meets **employment eligibility** (enrollment, degree status, and work study award, if applicable) prior to submitting any paperwork for a student.

Use the UNMJobs Hiring process for New Hires, Promotions, Add Jobs (2nd and 3rd jobs), and Returning Students with a break of employment of 180+ days.

**Requisitions (Reqs)**

We encourage you to submit requisitions as early as possible to allow for more posting time. Please be sure to follow the SOPs under Department Resources titled **UNMJobs Requisition** and ensure to submit a complete requisition to reduce errors.

The priority date to submit requisitions is **May 5, 2024.** Requisitions submitted after this date will be processed in the order received. However, we cannot guarantee that you will have enough time to hire student employee(s) with a summer start date.

**Hiring Requests**

The Student Employment Office sends notifications to student’s email address as noted on their UNMJobs profile. Hiring managers are also copied on these email notifications.

- Students who need to complete an I-9 need to visit our office (in person) during our regular business hours (Monday – Friday 9am – 5pm)

- Students that need to submit FTE memos, Job Memos, etc., need to upload their documents to our secure upload site at [https://stuemp.unm.edu](https://stuemp.unm.edu/) and clicking on “Upload Documents”

- “Authorization to Start Working” emails (see example below) will be sent to **ALL** students when their employment eligibility is verified. These emails will state the student’s approved start date.

Please note the following:
1. Please enter 6/3/2024 in “Start Date” field for students being hired for the summer semester.

2. Please leave “Start Date” field blank for students who should be hired prior to the summer semester.

3. Students should expect to spend at least 20 minutes completing documents while at the Student Employment Office.

4. Documents for the I-9 form must be original and unexpired. A list of acceptable documents is available below.

5. After your student completes all hiring documents at our office, the Hiring Coordinator, Hiring Manager and student will receive a final “Authorization to Start Working” email with an attached letter indicating their approved start date. Please do not allow students to begin working until this notification is received. Allowing students to work prior to their start date will cause problems with student’s pay and may be in violation of federal regulations.

6. Once they have their Student Employee Life tab in LoboWeb, students must follow the instructions in the “Authorization to Start Working” letter to verify their W-4 form and complete direct deposit information, etc.

2) The priority date to submit hiring requests for UNMJobs student employees is May 5, 2024 at 5 pm.

3) In order to begin working for summer, students must complete their required paperwork by May 12th.

4) Priority will be given to requests submitted by these dates. Anything submitted after will be processed in the order received. Therefore, we will not guarantee your new student employee may begin working in the summer.

5) Please be sure that all paperwork is complete and follows requirements outlined in UNM Policy #2000. The turnaround time increases if we receive requisitions or Hiring Requests with errors or missing information.
